

## Masterbatches for **LAMINATION, COATING & TARPAULIN**

# High-Performance Masterbatches for **LAMINATION, COATING & TARPAULIN**

## Solution to your biggest problems

### → No Dots & Specks

Superior pigment dispersion eliminates defects for a smooth, premium surface

### → Smooth Runnability

Low FPV & optimized polymer flow ensure smooth, continuous output

Excellent  
Dispersion

High  
Gloss

Colour  
Consistency

Low  
Dosage Req

## Capabilities

→ Custom colour matching with rapid turnaround

→ Manufacturing capacity of 18,000 MT / year

→ Twin-screw extrusion lines (Steer)

→ In-house testing capabilities:

**Spectrophotometer • FPV tester • Pilot film plant • MFI tester • Colour matching cabinet • Injection molding machines • Ash content tester • Moisture analyzer**

→ RoHS, REACH, FDA compliance certificates available on request

## Colour Masterbatches

COLOUR	SHADE	DOSAGE
Yellow		1% - 5%
Red		
Orange		
Blue		
Green		
Black		
Silver		
White		
Custom Colours	Match exact shade, gloss & opacity via Sample / Pantone / RAL	

## Functional Additive Masterbatches

ADDITIVE	FUNCTION	DOSAGE
UV Resistant	Maximum UV protection with full chemical and pesticide resistance	1% - 5% (Depending on service life)
Flame Retardant (FR)	Reduces flammability	5% - 10%
Halogen-Free Flame Retardant (HFFR)		8% - 15%
Optical Brightener (OB)	Boosts brightness for a premium, glossy finish	0.5% - 1%
Polymer Processing Aid (PPA)	Improves runnability and surface finish	0.25% - 1%
Antioxidant	Prevents premature degradation due to heat	0.5% - 1%

**Aangee Compounds LLP** is a leading manufacturer of masterbatches and compounds, serving the plastics industry for 25+ years. Based in Ahmedabad, Gujarat, we deliver custom colours and tailored properties with consistent quality. Backed by deep technical expertise and a strong problem-solving mindset, we help customers overcome performance and processing challenges with confidence.

**CORPORATE OFFICE**

A-801 Westgate, Nr. YMCA Club,  
S.C. Highway, Ahmedabad 380015,  
Gujarat, India

**FACTORY**

B-65, 66 (Unit I) & C-54, 55, 56 (Unit II),  
Akshar Industrial Park, Changodar,  
Ahmedabad 382213, Gujarat, India
